"Specification" means any specification and/or drawing.
Our agreement with you (the "Contract") consists of: (i) any "Purchase Order" or "Delivery Schedule" or "Scheduling Agreement" (an "Order") that we issue to you; (ii) any duly signed contract which we have entered into with you for our purchase of goods and/or services from you; (iii) these General Purchasing Conditions; (iv) any Specifications and safety, health and environmental requirements that we agree with you; (v) the GKN Tooling and GKN Property Terms; (vi) our quality assurance requirements; and (vii) other requirements or procedures made available to you (via GKN's Supplier Portal <https://www.gknaerospace.com/en/Utilities/gkn-aerospace-suppliers/> or otherwise). If there is any inconsistency between any parts of the Contract, the parts placed higher in this list will prevail.
 - 2 **Your conditions excluded**
 - 2.1 Any Order that we place on you will be deemed to be accepted on the earlier of any written acknowledgement that we receive from you or 7 days of the date of the Order.
 - 2.2 If you seek to impose additional or different terms on our purchase, including through any acceptance to our Order, they will not form part of the Contract and are excluded and rejected by these General Purchasing Conditions.
 - 3 **Delivery**
 - 3.1 You must deliver goods and/or services that we order in accordance with the delivery terms and dates set out in the Contract. If any goods and/or services are not delivered on time, we may cancel the relevant Order and terminate the Contract.
 - 3.2 Goods must be delivered DAP (as defined in current Incoterms®) unless another part of the Contract states different delivery terms. Ownership of the goods you deliver will transfer to us on delivery.
 - 3.3 All goods must be packaged so as to protect them adequately before, during and after delivery and, if we require, each delivery shall be accompanied, in a form acceptable to us, by a certificate of conformity and/or an up-to-date material safety data sheet.

 - 4.1 Any goods and/ or services (and any associated technology) supplied by you must: (i) conform to any Specification or other requirements referred to in the Contract; (ii) comply with all applicable legal requirements and regulations, including those relating to transportation, health, safety and the environment; and (iii) not infringe the intellectual property rights of any third party. You must have all consents, licences and authorisations to supply us with any goods and/or services supplied by you.
 - 4.2 Any goods supplied by you must be: (i) of the quantity and description specified in the Contract; (ii) of good quality; (iii) fit for their normal purpose and any specific purpose we inform you about or which you ought reasonably be aware; (iv) free from defects in design, material and workmanship; and (v) free from any encumbrances.
 - 4.3 Any services supplied by you must be: (i) performed efficiently, safely and competently by suitably qualified and experienced personnel, in conformity with any applicable industry code of practice; and (ii) of the quality which would reasonably be expected from a skilled and experienced operator providing equivalent services in the same circumstances. If you do not perform any services in conformity with the Contract we may require you to re-perform such services or we may terminate the Contract and procure the relevant services from a third party at your cost.
 - 4.4 We may (but are not obliged to) inspect and test the goods delivered by you and may reject and return (at your risk and expense) any goods that fail to conform with the terms of the Contract. Ownership and risk of the goods rejected by us will transfer to you upon notification by us to you of such rejection.
 - 4.5 We may charge you liquidated damages of: (a) up to one thousand dollars (\$1,000) for each quality notification; and (b) for each day of delay in delivery, the greater of one thousand dollars (\$1,000) up to 40% of the price of the goods or services (i) that you supply to us, or (ii) that we supply to our customer, which the parties agree is a genuine pre-estimate of our losses.
