

APPENDIX I - SUPPLIER QUALITY ASSURANCE REQUIREMENTS

TIGRE PROGRAM

This Appendix I with the Supplier Quality Assurance Requirements for the Airbus Helicopters SAS program defines GKN Fokker Aerospace (Buyer) additional Program Specific Quality Requirements and forms an integral part of the Purchase Order (PO) concluded between Supplier and Buyer.

The contents of this Appendix I is additional to or replacing one or more of the standard GKN Fokker Quality Requirements as provided in Annex B “Supplier Quality Assurance Requirements (standard)”. All terms defined in the Purchase Order shall be applicable to this Appendix I, unless explicitly defined otherwise in this Appendix I.

Supplier shall have systems and methods to assure full compliance to this Appendix I. When products or services applicable to the PO are procured by the Supplier from sub-tier suppliers, the supplier shall flow down the Appendix I requirements as necessary to assure full compliance is achieved.

In case of differences or inconsistencies with texts in the Main Contract, the stipulations in this Appendix I will prevail.

The latest valid version of this document is available on the GKN Fokker Aerospace website via:
